£19 SOHO HOME+

Product details

You'll find Tala bulbs in the lamps, wall lights and chandeliers in many of our Houses. Tala bulbs use 10% of the energy of their incandescent counterparts and last 15 times longer, so you'll make your money back in 6-9 months through energy savings. Tala's 'Ten Trees' programme supports reforestation by planting 10 trees for every 200 units sold. The bulbs used in our Houses have led to 68 trees being planted so far.

- 6W large globe LED bulb by British lighting brand Tala
