Product details

Our Belforter chandelier is inspired by the vintage originals that can be founded on the 8th club floor at Soho House Berlin, where they are grouped in clusters above the tables. Murano glass sections hook onto finials extending from the frame, loop round and cross over each other in an Art Deco style. Murano glass is blown, cut and shaped using traditional techniques that are unique to the Venice region.

- Art Deco style chandelier in Murano glass
- Mouth-blown using traditional artisanal techniques in Venice
- Blackened brass framework
- Inspired by vintage chandeliers at Soho House Berlin
