Product details

Our Nuno chaise has been designed to be as comfortable and versatile as possible, with a wide arm rest that makes it perfect for lounging. The low, streamlined profile has a relaxed feel and acts as a blank canvas that can be updated with different cushions and throws, giving it real longevity.

- Chaise with wide arm rest and round natural oak legs
- Hand made in the USA by skilled craftsmen
- The chaise can be moved to the right or left hand of the sofa
- Inspired by the sofa in the beach studio at Little Beach House Barcelona
