

## Fleet Side Table, Small Green Marble

£225 Regular

£191 SOHO HOME+

### Product details

This Fleet side table has a solid, green marble top and a single brass leg for a sculptural feel. The weighty base secures it firmly in place. We love it grouped together with the Kapri stone and white marble versions to create an interesting contrast of heights and textures. It's inspired by the tables found at 180 House - opening soon on London's Strand.
