

## Fleet Side Table, Large White Marble

£295 Regular

£251 SOHO HOME+

### Product details

This Fleet side table has a solid, white marble top and a single brass leg for a sculptural feel. The weighty base secures it firmly in place. We love it grouped together with the Kapri stone and green marble versions to create an interesting contrast of heights and textures. It's inspired by the tables found at 180 House - opening soon on London's Strand.
