Product details

Our Delano collection evokes the 1970s-inspired laidback vibe of Soho Warehouse LA. Handmade by artisans from an family-run business, Ceramiche Fabbro, in Udine, Italy, whose meticulous skills have been passed down the generations since 1919, ensuring every single Delano creation is a work of true artisanal craftsmanship. After being moulded from high-quality clay, each piece is dried and fired in a kiln, before being hand-poured with a layer of colours to impart its unique tonal drip design.

- Set of four ceramic dinner plates
- Hand-poured and hand-painted in Italy
- Tonal blue colourway
- Drip design
- Each piece is entirely unique
- Available in Rust
- Inspired by Soho Warehouse LA
