Product details

The Atlee bottle opener is crafted from a weighty green marble with deep white veining in the stone, which makes it completely unique. Inspired by the marble decor seen throughout 180 House, it has a design that reinterprets the structure of the Brutalist building. It's fitted with a stainless-steel bottle opener and built-in magnet - a standout utensil that also makes a distinctive decorative accessory, especially when entertaining guests at home.

Marble bottle opener Green marble with white veining Variations in the stone make each one entirely unique Stainless-steel fitting Inspired by 180 House
