immediately; if

liquid, blot with clean, un-dyed cloth by pressing firmly around

the spill to absorb as much as possible. For

hard-to-remove stains,

professional rug cleaning is recommended. Store

your rug by rolling

it front side out and wrapping in cloth for

protection. Do not fold

or store rug in an airtight plastic bag. Place in

well-ventilated area. with a soft, dry cloth, spot

clean with mild

soap if needed; occasional professional cleaning

may be required.
