Product details

More than just touchably soft, the Atlanta loveseat's tactile chenille upholstery is spun from recycled wool and acrylic yarns reconstituted from the fashion industry, with sustainable Tencel Lyocell sourced from the fast-growing eucalyptus tree. A solid oak frame and natural rattan panelling play with subtly contrasting textures, while a spindle back, capped feet and antique brass detail echo the styles seen throughout Shoreditch House.

Solid oak loveseat Upholstered in recycled materials Natural rattan panelling Antique brass detailing Capped feet Pair with our Atlanta sofas Available in other fabrics Inspired by Shoreditch House
