### Product details

Born in Cornwall, artist Hannah Ludnow looks to Cornish coastlines, light, and the relationship between emotion and memory to create her ethereal, dream-like and abstracted paintings. Each one aims to bring a sense of peace and tranquillity to both the viewer and the space in which it resides.

'I hope to build an atmosphere in a painting which draws you in and allows you to imagine yourself there, stood on a cliff, a beach or behind the dunes, exposed to the elements and the unpredictability of nature,' she says.
