Product details

We think there's nothing better on a summer's afternoon than enjoying a crisp glass of rosé in the garden. Our Pembroke Lady A gift set is perfect for gifting a hardworking host, featuring a bottle of Lady A rosé wine alongside four of our Pembroke white wine glasses, used across all of the Houses. Crafted in Poland, Eastern European glass is known for its brilliant clarity, and our mouth-blown Pembroke glassware is no exception. Every single piece touches several pairs of hands during the creative process, including a master glassblower who oversees the entire production. Accented with soft, scalloped detail, this optic decoration echoes the glassware used in our first House at 40 Greek Street in London. 750ml bottle of Lady A rosé wine Set of four Pembroke white wine glasses Scalloped detail Mouth blown in Poland Our Pembroke glassware is used in all of the Houses Inspired by Soho House 40 Greek Street Enjoy 10% off our Pembroke gift sets for a limited time only.
