Product details

Our House Champagne, Collet, can be found behind the bar at Soho Houses around the world, served ice cold. Now you can enjoy it from the comfort of your own home, too, with our Pembroke Champagne gift set. Crafted in Poland, Eastern European glass is known for its brilliant clarity, and our mouth-blown Pembroke glassware is no exception. Every single piece touches several pairs of hands during the creative process, including a master glassblower who oversees the entire production. Accented with soft, scalloped detail, this optic decoration echoes the glassware used in our first House at 40 Greek Street in London.
