Product details

Shaped for optimal comfort and visual impact, the Garret swivel chair is a House favourite featured in a variety of our club spaces. Inviting you to relax and sink into its undulating curves, this statement design mirrors styles seen at DUMBO House in Brooklyn. Upholstered in Pierre Frey's Nimpheas fabric, the designer describes the print as an 'evocation of a primitive aquatic world. The organic shapes that make up this drawing unfold infinitely like an 18th century droguet revisited.'
