Product details

This Garret design is an extension of our House favourite indoor armchair, now suitable for outdoor use. Featuring the same comforting curves and rounded shape, we've upholstered it in a monochrome geometric fabric to echo the graphic jacquard patterns seen around 180 House. A moisture-resistant internal structure and foam padding makes this chair outdoor safe, as does swapping the original metal base for Iroko wood.

- Extension of our Garret range
- Geometric weatherproof upholstery
- UV, chlorine and mildew resistant
- Moisture-resistant internal structure
