### Product details

The contemporary, geometric design of our Telde rug takes inspiration from similar Art Deco-style rugs found in Soho Warehouse in Downtown LA. Working with a group of skilled artisans in India, this particular style has been hand-tufted using a soft New Zealand wool for comfort and longevity in the home. A mix of dappled areas alongside solid colours in blue grey and beige brings textural depth to this design, contrasted with a bold rust-red border. The deeper pile of this rug would work well in a living room or underneath your bed to add instant colour and pattern.
