The Hammond double vanity unit is a reflection of the quintessential English charm of Soho Farmhouse, where neutral colours and homely vintage touches fill our Oxfordshire country retreat. With an aged oak finish, this six-drawer design features twin ceramic sinks and a solid Carrara marble top, as well as a low marble backsplash. Natural cane drawer fronts and forged twisted handles add a craft-inspired twist. Styled with **Lefroy Brooks Classic taps** in aged brass.

Please note, our delivery service does not include installation. We advise asking a qualified person to install your vanity unit.
