Product details

The Remi table lamp transforms your living space through warm, wood finishes. Designed with a rectangular base in dark oak mappa burl, this decorative veneer contrasts a lighter brown wood with a darker, bark-like pattern of tight clusters to add depth and interest to your interiors. Complemented with a natural linen shade, each lamp is one of a kind due to the variation in the wood. All of our portable lamps are fitted with dimmer switches, allowing you to tailor the light level to your mood.
