Cullen Sideboard, Dark Emperador Marble

This soft rectangle sideboard has been crafted from a combination of mid-tone and dark oak tones with deep Spanish Emperador marble.

Inspired by the natural finishes seen in Soho Roc House, the Cullen sideboard showcases a dark Emperador marble top sourced from Spain, displaying a mix of brown hues with lighter veining. Mid-tone stained oak across tambour doors is contrasted with dark stained oak on the top, base and legs, alongside solid oak handles. A real antique brass inlay and turned legs add a mix of contemporary textures.
