Product details

Powered by the Soho Skin Concentrate, the 24/7 Treatment is a multifunctional revitaliser that can be used as a rinse-off mask or as an overnight facial. Formulated with exfoliating lactic acid, plumping hyaluronic acid and energising ATP, the 24/7 Treatment brightens, hydrates and rejuvenates the complexion.

A transformational skin treatment to help combat the effects of a 24/7 lifestyle Recommended for all skin types - especially tired, stressed and/or dull skin How to use

Apply two to three pumps onto cleansed skin, avoiding the eye area. Leave for 10 minutes, then rinse with warm water. Alternatively, apply as the final step in your evening skincare routine and allow to absorb overnight. Follow with sunscreen during the daytime.
