Product details

Inspired by the vintage beds in Soho House New York's bedrooms and those at Soho Farmhouse and The Ned, our carved wood bed is the epitome of Edwardian elegance. Featuring a high, carved headboard and low footboard made from solid alder wood, it looks equally at home in contemporary and traditional interiors.

- Turn of the century-style carved wooden bed
- High, carved headboard and low footboard
- Frame made from solid alder wood
- Inspired by the beds at Soho Farmhouse and The Ned
