Product details

Part of our new Soho Editions, this limited-edition print was created by Soho House Art Prize 2020 runner-up, Yonatan Vinitsky. Born in Jerusalem and based in London, the artist made this piece to reflect his penchant for the design and visual identity of vintage matchboxes. Vinitsky has expanded his practice by creating The Workshop of Matt Montini, which makes narrative-led commercial products. From the workshop, Vinitsky has incorporated a clock face, candles and a poem from his first collection to explore what production might look like in the future.
