Product details

Part of our wider Cooper mirror range, the profile of this floor design is achieved using a handcrafted technique of stamping and shaping the frame in high-quality brass by skilled artisans. Pure brass sheet is used for malleability, durability and a timeless appearance, making this particular piece a core part of your home for years to come. The tall design also gives the illusion of more space and light, opening up any room in the home.

- Tall floor mirror
- Part of our Cooper mirror range
- Skilled artisanal techniques to achieve its shape
- High-quality, handcrafted brass
- Used for malleability, durability and timelessness
- Inspired by Shoreditch House
